#### *Responsible Persons Responsibility for the annual Financial Report*

The responsible persons of the company are responsible for the preparation and fair presentation of the annual financial report in accordance with the Australian Accounting Standards and for such internal control as the directors determine is necessary to enable the preparation and fair presentation of the annual financial report that is free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express a conclusion on the [period] financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report is not presented fairly, in all material respects, in accordance with the Australian financial reporting framework. As the auditor of Survivors and Mates Support Network, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a annual financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### *Conclusion*

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the annual financial report of Survivors and Mates Support Network do not present fairly, in all material respects the financial position of the company as at 30 June 2017, and of its financial performance and its cash flows for the annual ended on that date, in accordance with Australian Accounting Standards.
